Newark, N. J.

Dear Mr. Manley:-

Please excuse my delay in acknowledging your valued letter of March 17th. I have been out of the city and just returned to my desk today.

I felt confident that you would bring this to the attention of the League, because your league has built up a fine reputation and so have the members of your league over the period of the years that you have been running, and a matter of this kind tends to tear down all the good that your league has accomplished in the way of establishing itself during the past several years.

I would not have bothered you in calling this to your attention excepting that we had done everything possible in an effort to have the Pittsburg Club take care of these bad checks that were presented to our Philadelphia store.

Very truly yours,

J. F. Conway
